Dear Friends;

LET'S CELEBRATE AMERICA IN 2021 ! With 2020 marking a year like no other, we have missed going out and experiencing the beauty and wonder of our United States and Canada. There is so much to see from the majestic mountains and wilderness to beautiful waterways and lakes and all the sights and attractions plus just the ever -changing landscape as we travel along. We reflect back on all the fun destinations we have been to over the years and look forward to joining in on many areas that we have not been to yet or want to go to again. We are working on our 2021 tours that travel to many top destinations. Things have changed a lot in the tour and travel industry and we are working through these changes as we put our tours together for 2021. We look forward to places opening up or free up more in these next months. We are in touch with hotels, attractions, and restaurants as we plan the tours. We thank you for your continued interest as we go in to our 50th year of tours with Utopia Tours!. Many places are doing everything they can to bring tour groups back to their city and attractions and I think we will soon feel safe to begin traveling again.

With Alex Travel Agency, we are working through the many changes as well . No one could have predicted what would transpire as Airlines cancelled flights, Cruise ships docked, borders closed, attractions closed, etc. This is something we all have lived through this year. We keep up with and check the new guidelines for travel - if need positive test results ahead, borders open, if need to wear masks, etc. Looking ahead in to 2021 we are gaining good interest in our International group tours. Please call or stop in soon as we have locally guided tours to Norway in June, Alpine Countries in July, Ireland & Scotland in Aug, Europe & Passion Play in Aug of 2022 plus Alaska Cruise Tours in June and July of 2021. Our experienced travel advisors can help plan your next exciting vacation to these destinations and others of interest to you in the months ahead.

The summer months went by in a different way this year. We hope all have been safe and healthy. Many I am sure spent time safely with family and friends and some headed out on family vacations by car or an RV or stayed around home with different projects being done. This is all good too for sure.

We are proud to be a part of this resilient travel industry all these years and know it will -come back. There will be changes as we go ahead but we are grateful and hopeful as we plan ahead and talk to our suppliers and others in the industry that we care about. The travel industry is also a part of the hospitality and entertainment industry as this is what we sell - FUN! So as the travel industry begins to open up and welcome all the excited travelers, please join UTOPIA TOURS and ALEX TRAVEL for your next travel experience ! We are here for you.

We hope everyone enjoys this beautiful fall season. We do have much to be thankful for.
