Wed., April 21: Paducah, KY This morning we make our way through southern Illinois and across the border to **Paducah, KY.** Paducah is known as the City of Crafts & Folk Art. This afternoon we'll stop at the **National Quilt Museum** which has three galleries of quilt and fiber art that you're sure to be impressed by. Thurs., April 22: Nashville, TN Traveling southeast on 24 we drive just a few hours to **Nashville, TN!** From the 1870's when the Jubilee Singers from Fisk University started becoming well known, to the current day with the stars that get their start here and come to entertain here, Nashville continues to uphold its Music City nickname. There are over 130 music venues here that keep this city alive. Once in Nashville, we will go to the **downtown area** where you can stroll the streets and go in to some of the venues where country singers got their start, like Tootsies, and others plus have time to shop and have lunch in the area.
